

Senior Fundraising Manager

Full Time OR Part Time (Minimum 3 days a week) - flexible times

£28,000 - £32,000per annum pro rata

SNAPS, a Leeds based charity that offers specialist activities for children with additional needs and support for their siblings and families, is recruiting a Senior Fundraising Manager. This is a new role for the charity and a fantastic opportunity for the right candidate to make their mark on this growing organisation to help shape how it moves forward into the next stage of its development.

Over the last 6 years, SNAPS has expanded its provision by a factor of 6; however, we know there are still many more families who need our support. Therefore, we are recruiting a Senior Fundraising Manager to help us continue to grow our income and ultimately allow us to expand our delivery further.

The Senior Fundraising Manager will work closely with the Chief Executive and Fundraising Manager to develop and deliver an ambitious fundraising strategy which will make use of all traditional fundraising streams.

We are looking for a passionate, driven, organised, self-motivating and friendly individual who has a proven track record of generating funds through grants, community and corporate activities.

They will be responsible for their own budget and expected to recruit and work with volunteers to increase income. The Fundraising Team is the face of SNAPS in the community and so the successful candidate will thrive on meeting new people and be able to present SNAPS in a professional manner to a variety of audiences.

In return for their commitment, SNAPS will be a flexible and supportive employer. We want to recruit the right person and make the role work for them which is why this role could be part-time or full time with flexible hours to suit the successful candidate's needs. The role is home based but with lots of opportunities to get out into the local community to network and build relationships with supporters and the families we work with.

Please see the Job Description and Person Specification for further details.

To apply please complete and return the SNAPS' application form by 5pm on 27th June 2021 to Lucy Owen by email lucy@snapsyorkshire.org Interviews will be held on Wednesday 7th July 2021.

More information about SNAPS can be found at www.snapsyorkshire.org
